

HYBRID EVENT

# THE CHIP RACE: WHO IS WINNING?

**3 December 2025**  
**11:00-12:30 (CET)**

Istituto Affari Internazionali (IAI)  
Via dei Montecatini, 17  
Rome

*Working Language: English*

The event — organised in collaboration with Intesa Sanpaolo — aims to examine the evolution of the global race for predominance in the chip sector, with a focus on the roles played by China, the United States, and the European Union. Particular attention will be paid to the dynamics that have emerged following Donald Trump's re-election and the renewed implementation of his protectionist agenda. The meeting will be introduced by renowned experts and prominent think tankers.
