EXACT Project*

15:45 – 16:30 Open Debate

16:30 Conclusions

* The EXACT project , led by- the University of Cologne, - aims to improve the expertise of twelve young researchers in the field of the EU's External action. EXACT combines professional and academic training, addressing the growing demand for political advisory skills complemented with professional techniques. As a part of EXACT, in 2011 the IAI host two foreign researchers who will develop projects on the European foreign and security policy in cooperation with the Institute's research staff.
