O 2946

Global discord : values and power in a fractured world order / Paul Tucker. - Princeton ; Oxford : Princeton University Press, 2022. - xiii, 533 p. - ISBN 978-0-691-22931-7

Bibliografia: p. 487-514. - Posseduta versione pdf

Contiene: Preface; 1. Introduction. Geopolitics and legitimacy in a globalized world. -- Pt I: History: international order, law, and organizations in a Eurocentric world : 2. A European order: from christendom to the league; 3. A Leadership-based international system is built and adapts: from World War II and its horrors to judicialized international law, financial crisis, and war; 4. Geoeconomics within geopolitics: China and the west today, and scenarios for tomorrow. -- Pt II: Framework: international institutions, regimes, organizations, and society : 5. International policy coordination and cooperation: Humean conventions and norms; 6. Institutions for cooperation: equilibria, regimes, and organizations; 7. Order, system, and society: from self-enforcing order to an international society of designed substantive law?. -- Pt III: Geopolitics with geoeconomics: order, "civilizational" tensions, and a dislocated international system : 8. Varieties of order and system: the contingent societal stability of an institutionalized hierarchy with American European roots; 9. Rising Powers, Norms, and Geopolitics: party-led China's self-identity and us political nativism as risks to system and order; 10. Wishful thinking: policy robustness, resilience, and legitimacy. -- Pt IV: Legitimacy: values and principles for international order and system : 11. Sovereignty and the Globalization trilemma: universalist versus pluralist international law and system in a world of civilizational states; 12. Legitimacy and legitimation: a Humean-Williamsian framework; 13. Political realism in international relations: order versus system in a world of concentric legitimation circles; 14. Principles for constitutional democracies legitimately delegating to international organizations. -- Pt V: Applications: reforms to the international economic system during shifting geopolitics : 15. Legitimacy for a fragile international economic system facing fractured geopolitics; 16. The International Monetary Fund and the international monetary order: an exercise in excessive discretion with missing regimes?; 17. The World Trade Organization and the system for international trade: is judicialized universalism unsustainable because illegitimate?; 18. Preferential trade pacts and bilateral investment treaties: security first, or globalization via mimesis?; 19. Basel and the international financial system: are the tower's denizens too powerful?. -- 20. Conclusions: Global discord: between disagreement and conflict; Appendix: Principles for constitutional democracies participating and delegating in international system; Acknowledgements; Bibliography; Index
