

WEBINAR

Nuclear Non-Proliferation and the Global South: Understanding Divergences and Commonalities

14 December 2023
4.00 PM - 5.30 PM CET

Working language: English, no translation

Online only

The event aims to offer selected speakers and the public a fruitful occasion to discuss the positions and priorities of the so-called Global South countries in the nuclear non-proliferation regime. In this context, The International Spectator, the IAI's peer-reviewed journal, presents its latest special issue (December 2023) "Nuclear Non-Proliferation and the Global South: Understanding Divergences and Commonalities".
